# ABOUT DIGGER APPAREL

*Work Hard. Stay Comfortable.*

**D**igger Apparel is a wholesale apparel supplier built to serve businesses that demand consistency, quality, and reliability at scale. Based in Tampa, Florida, we specialize in **workwear, streetwear, and imprintable blanks** designed for real-world use.

Our products are developed with durability, comfort, and versatility in mind—making them ideal for jobsite environments, everyday wear, and custom branding applications.

From high-visibility safety garments to premium **blank essentials**, every piece is made to perform and hold its value over time.

*A look inside our Tampa, Florida facility.*

We partner with **retailers, printers, and distributors** to deliver dependable inventory, competitive pricing, and products ready for the market. Whether you're stocking shelves or building your own brand, **Digger Apparel** delivers apparel you can trust.

- ✓ Consistent Inventory
- ✓ Production-Ready Blanks
- ✓ Built for Work & Everyday Wear

## PRIVATE LABEL PROGRAM

As in-house manufacturers, we build your brand with confidence using Digger Apparel's private label program.

Our blanks are designed for seamless customization, making them ideal for screen printing, embroidery, and resale.

With consistent sizing, reliable inventory, and production-ready quality, we provide the foundation you need to create and scale your own apparel line.
